CONFERENCE WITH DR. S.M. DAVIS

Hosted by International Bible Baptist Church
Senior Pastor Jerico Tumang

Sunday, March 1st @ 11 am and 2 pm

Session Topics:

“FREEDOM FROM THE SPIRIT OF ANGER”

People with a spirit of anger seldom realize they have it. Rebellion in youth rarely goes away until parents deal, not just with their anger, but with their spirit of anger. A father who is blind to his own angry spirit may easily infect his children with that same spirit.

“TRAPPED IN THE PAST”

A proper perspective of the past is very important. A proper view of the past works of God will keep you encouraged and challenged. But for all of us there is the danger of something from the past defeating or destroying our lives in the present.

“STEPS TO HELP YOUTH NOT GIVE UP HOPE”

Many Christian youth are walking away from God. Some despair of life itself. Others become confused about their own identity. Here are 7 specific steps Parents can take to prevent or solve the problem of youth “giving up hope on God and life”

A nationally-known speaker, Dr. Davis speaks at churches and conventions across the U.S. as well as in other countries. Many of his messages give Biblical solutions to critical family problems, as well as help to foresee and avoid problems. After serving for 36 years as the Pastor of Park Meadows Baptist Church in Lincoln, Illinois, Dr. Davis became a full time conference speaker in 2012
